

Basic Information Packet Canyon Lake Project Area

**Register Soon!
Deadline
Thursday,
18th OCT 2018**

Dear Volunteer(s),

You are invited to gather your friends and family to team up for the 25th Anniversary Event for National Public Lands Day at Canyon Lake Texas!

National Public Lands Day is a time each year when thousands of volunteers from across the nation come together to give of their time in support of our natural national treasures. Canyon Lake is hosting such an event and is inviting everyone to come and participate. The event is open to youth, adult, senior, families, friends, scouts, work associates, church groups, clubs and anyone wishing to make a difference with our public lands.

In 2018 we are focusing on TEAM work and ask that everyone sign up as part of a team. Teams can be made from a club, family, friends, business employees, neighbors, church groups, scouts, ROTC, etc. Everyone from the young to the old are welcome to participate. We have many projects around the lake in different parks. All teams choosing to participate will have the same chance to win a prize for the team. All individuals not part of a team will be entered in the raffle.

Some of the projects include: clean up of the water ways (lake and river), trail repair & maintenance, repairs to amphitheater and Guadalupe Trail, repair/replacement of trail bridges, erosion control measures, and others as needed and time permits.

We will have various projects that will suit several age ranges and physical abilities. All are welcome to participate and encouraged to bring family, friends, and neighbors.

Tentative Schedule

Date: Saturday, 20th October 2018

Times can be changed as needed. See map for location of sign in.

7 am to 8 am — Check in, pick up assignments, Safety Briefing.

8 am to 12 pm — Work on projects

12 pm to 1 pm — Lunch Break, Awards

1 pm to 4 pm — Finish projects*

*Volunteers that finish their project(s) earlier, may help on others projects)

Recreational Activities

At the lake you are allowed to camp, boat, ski, canoe, swim, scuba dive, horse back riding, fish, hike, run, jog, skip, suntan, picnic, etc. These activities are to be done before and after, but NOT during the volunteer time. The QR code at the right will take you to our recreation info page.

Contact the **Canyon Lake Chamber of Commerce** for a list of local recreational businesses: (830) 964-2223 or Toll Free (800) 528-2104

CAMPING!

Camping is provided Friday and Saturday nights. All camping fees are waived for volunteers of this event. Space is limited! If you plan to camp, please contact an event coordinator to secure a spot ahead of time. You can stay for one or both nights. NO ONE camps without registering by the deadline of the 18th of October 2018!!!

MAPS!

Do you need a map to find your way around during the volunteer event? You can use the QR code on the right to access all of the park maps we have available online.

SCUBA DIVERS NEEDED!

Divers are needed to facilitate the cleaning of the lake and river bottoms. To participate, you must have your own equipment, be certified or be with a certified trainer, and be willing to work. You will be camping in the park nearest the area you are cleaning.

LUNCH

We will have lunch provided. It will be a simple lunch, but you are welcome to bring your lunch if you choose. If things change, we will let you know. Register by deadline or we may not have enough food to cover you and your team!!!

Rain Day Make-Up

IF it is light raining (no lightening), we will still have the event. Bring a rain coat if needed. If the weather is severe enough to cancel, the make-up date will be determined later. We will notify everyone if we must reschedule. We understand that not everyone will be able to attend if event is rescheduled.

Event Contacts

If you have any questions feel free to contact the event coordinators listed below. You can currently download some maps of the lake and parks from the USACE website.

US Army Corps of Engineers
