Public Hunting Program
Fort Worth District U.S. Army Corps of Engineers
2010-2011

Thank you for your interest in public hunting opportunities in the Fort Worth District of the U.S. Army Corps of Engineers. We manage 25 lake projects in Texas for multiple benefits of flood damage reduction, water supply, outdoor recreation, and environmental stewardship of federal lands and waters. Hunting activities are one of the many tools that the Corps utilizes in the management of our natural resources. We work in close partnership with Texas Parks & Wildlife Department (TPWD) and several other entities to provide you with safe and enjoyable hunting opportunities on approximately 188,000 acres of public land at 23 of the 25 lakes. This booklet is designed to give you an overview of the rules and regulations that apply to the public hunting program as well as a few specific facts about each lake. If you are interested in finding more information about any particular lake, we encourage you to contact that lake directly and speak with one of our park rangers or natural resources specialists. Look in the "Lake Information" section for contact addresses and phone numbers.

If you have enjoyed hunting at Corps lakes in past years, you are probably aware that the public hunting program is dynamic and continues to change as a result of public comment, and in reaction to changes in state and federal wildlife rules and regulations. Our lakes differ substantially from one another as do our stewardship responsibilities. Therefore, it is important to check with us each year for possible changes in the program. Also, please realize every lake will have its own rules with regard to type of game taken, method of hunting, dates, permits, etc.

Your safety is our concern. Hunting on public lands is a unique recreation experience and a valuable natural resource management tool. However, since it is public land, the safety of our visitors is our main priority. Hunters are required to follow all safety regulations set forth in this guide as well as those issued by the lake staff where you are hunting and state law. They are not meant as a hindrance, but as a way to ensure that the hunting program continues to be a safe and enjoyable experience for years to come.

As a hunting enthusiast, we invite you to visit our national website at <http://corpslakes.usace.army.mil>. This website is tailored to provide a broad overview of natural resources and recreation programs at all Corps lakes. The District website at <http://www.swf-wc.usace.army.mil/index.htm> includes links to general information for each of the 25 lakes in the District. If you enjoy camping, you might also consider visiting another website at <http://www.recreation.gov>. Through this site, you can reserve a campsite at most Corps, U.S. Forest Service, National Park Service and other Federal recreation agency campgrounds.

We hope you enjoy your visit. Remember to take your children and grandchildren with you as you enjoy our project lands. If you have questions, please call our Natural Resources and Recreation Section in Fort Worth, Texas at 817-886-1530.

CHARLES L. BURGER
Chief, Operations Division
Fort Worth District

Frequently Asked Questions About the Hunting Program

1. What are the requirements to hunt on Corps of Engineers lakes?

Hunters are required to comply with the Corps of Engineers requirements and all state and federal hunting laws. Hunters are advised to call or write to the individual Corps lake offices for specific hunting requirements for that lake.

Residents: While hunting, persons 17 years of age or older must carry on their person: (1) a valid State of Texas hunting license; (2) a valid driver's license or personal identification certificate issued by the Texas Department of Public Safety; and (3) a valid Corps of Engineers hunting permit (if required).

Non-residents must carry on their person: (1) a valid State of Texas hunting license; (2) a valid driver's license or personal identification certificate issued by the agency in their state or country of residence that is authorized to issue driver licenses or personal identification certificates; and (3) a valid Corps of Engineers hunting permit (if required).

2. What is a Corps of Engineers valid hunting permit?

A Corps of Engineers hunting permit is required to hunt at many of the lakes listed in the Lake Information section of this guide. A hunting permit is a document issued by the Corps at the respective Corps of Engineers lake offices. The permit is valid only at the lake office where issued and authorizes written permission for a hunter to hunt on Corps managed land. A permit is valid only when used by the individual named on the document, while hunting in the proper area(s) and during the proper open hunting season. Failure to comply with permit conditions, or violation of state hunting regulations on Corps land, will result in revocation of the permit and loss of hunting privileges for up to two years at all Fort Worth District lakes where hunting permits are required.

3. Why do some projects issue permits and others do not?

14 lakes in the Fort Worth District currently require some type of Corps of Engineers hunting permit. The permits are necessary for a variety of reasons including prevention of overcrowding, improvement of public safety, separation of incompatible users, better management of the wildlife resources, or to offer special opportunities.

4. How do I obtain a Corps of Engineers hunting permit?

Corps hunting permits are issued at individual lake offices and are valid only at the lake where issued. Hunters are advised to call or write to Corps lake offices to obtain hunting information, maps, and permit applications. Hunters who are required by state law to complete a Hunter Education training course must present proof of course completion and, if 17 years or

older, will be required to sign a Corps of Engineers Waiver of Liability statement. Persons age 12-17 are eligible to obtain a permit, but can hunt only under the immediate supervision of an authorized supervising adult accompanying them at all times.

5. What are the hunter education requirements?

The State of Texas requires every hunter (including out-of-state hunters) born after September 2, 1971, to successfully complete a Hunter Education training course. The basic hunter education information available on the TPWD website can be found at

http://www.tpwd.state.tx.us/learning/hunter_education/required.phtml. The minimum age of certification is 9 years. If you were born **after** September 2, 1971 and you are:

- Under 9 years of age, you must be **accompanied***.
- Age 9 through 16, you must successfully complete a hunter education course, or you must be **accompanied***.
- Age 17 and over, you must successfully complete a hunter education course; or purchase a **“Hunter Education Deferral”**, and you must be **accompanied***.

Hunter Education Deferral (cost: \$10) Allows a person 17 years of age or older who has not completed a hunter education program to defer completion for one year. A deferral may only be obtained once and is only valid until the end of the current year. A person who has been convicted or has received deferred adjudication for violation of the mandatory hunter education requirement is prohibited from applying for a deferral. Take the course by August 31 of the current license year and receive a \$5 discount. The one-time Hunter Education Deferral is available at license vendors and went into effect September 1, 2004.

***Accompanied** means: By a person who is at least 17, who is licensed to hunt in Texas, who has passed hunter education or is exempt (born before September 2, 1971), and you must be within normal voice control. Proof of certification or deferral is required to be on your person while hunting. Note: Certification is not required to purchase a hunting license.

6. What minimum age restrictions are in effect on public hunting areas?

Corps Non-Permit Lakes: No age requirement.

Corps Permit Lakes: Any person with a valid hunter’s education certificate may hunt at a Corps permit lake under the following conditions:

a. Persons under the age of 17 must be accompanied by a “permitted” adult 17 years of age or older.

b. Persons 17 years of age and older must sign the Corps of Engineers Waiver of Liability statement and show proof of a valid hunter’s education card to the lake office or proof of exemption, e.g. state drivers license, to obtain a valid hunting permit.

7. How much does it cost to hunt on Corps of Engineers property?

At this time the Corps does not charge a user fee to hunt; however, some lakes charge an administrative fee applicable to the hunting program. Somerville Lake charges an administrative fee for a permanent (season long) waterfowl blind permit. Lake Georgetown and Wright Patman Lake charge Special Activity Fees for hunting and ATV access permits. These fees are lake specific. For more information, see the specific lake section in this guide or contact the lake office.

8. Are the seasons, bag limits, application times, and time limit the same as in State Regulations?

The State of Texas sets the bag limits and seasons. However, the Corps of Engineers may further restrict any of the above in an effort to better manage the resources. Hunters are advised to call or write to the individual Corps lake offices for specific hunting requirements.

9. Can I build a blind or have a tree stand?

All lakes allow temporary non-bark penetrating portable tree stands, as well as temporary free-standing blinds such as towers, platforms, tent-style, and natural blinds. However, each blind, regardless of use, must be completely removed from the land or water upon completion of each hunting day or as specified at individual lakes. All blinds must have the hunter's name, date of installation, address, and phone number written legibly and placed at the entry point of the blind in a conspicuous location. If proper identification is not present, the structure may be impounded and/or removed.

Natural blinds may be constructed by gathering loose and/or dead vegetation. Cutting of grass, shrubs, trees, or any other vegetation is strictly prohibited except at Georgetown, Grapevine and Lewisville Lakes, where live cedar up to 4 inches in size may be cut for use with no stub greater than 2 inches remaining above ground.

Temporary blinds for deer or waterfowl do not require a fee. A limited number of permanent (season long) waterfowl blinds are allowed only at Somerville Lake; however, hunters must obtain a special lakeshore use permit from the Somerville Lake Office to install these blinds. Refer to the information on Somerville Lake for specific requirements.

10. Are there weapons and/or means and methods restrictions on public hunting areas?

The "Means and Methods" restrictions as required under state law apply to all Corps of Engineers hunting areas with the following additional requirements:

a. Hunting or shooting within 600 feet of homes, developed parks, roads, fishing piers or platforms, farm and ranch yards, outlet structures, emergency spillways, or other areas is prohibited unless otherwise stated or posted.

b. Pistols are prohibited.

c. Buckshot (any shot size large than #2 shot) is prohibited anywhere on government property. Buckshot is prohibited due to increased public safety concerns. Shotguns with rifled slugs are allowed when hunting deer and feral hogs except at those lakes which restrict deer and feral hog hunting to archery only.

d. Crossbows may be used in accordance with state law when hunting deer and feral hogs unless prohibited at specific lakes.

e. Muzzleloaders: Muzzle-loading shotguns may be used at any lake which allows the use of a conventional legal shotgun as defined by state law. Muzzle-loading rifles may be used only at Lake O' the Pines, Town Bluff, Sam Rayburn, and Wright Patman Lakes as stated in the Lake Information section of this guide.

f. The use of conventional center-fire or rim-fire rifles is prohibited at all lakes, except Lake O' The Pines and Wright Patman Lake as stated in the Lake Information section of this guide.

g. The use of pellet, BB, or any other type of air gun is prohibited at all lakes.

h. Archery equipment for bow fishing must comply with TPWD regulations http://www.tpwd.state.tx.us/publications/pwdpubs/pwd_if_t3200_1559/ and will not take place within 600 feet of homes, developed parks, roads, farm and ranch yards, outlet structures, emergency spillways, or other areas.

11. Must I wear hunter orange?

Corps Non-Permit Lakes: No, but the proper wearing of hunter orange is highly recommended for hunter safety. Please refer to the information for Sam Rayburn Lake for specific requirements on wearing hunter orange.

Corps Permit Lakes: Yes. Hunters (and anyone accompanying the hunter) must wear at least 400 square inches of hunter orange material (144 square inches on both chest and back) when hunting and are also required to wear some type of orange head wear. Hunters exempt from this requirement are: persons hunting deer/turkey/feral hog during the archery only season and persons hunting turkey, waterfowl, or migratory birds (except dove hunters during concurrent hunts for quail).

12. What vehicle restrictions are in effect on Corps of Engineer areas?

The operation of all vehicles, including, but not limited to, motorcycles, all terrain vehicles (ATV's), bicycles, automobiles, trucks, and any other vehicles (see CFR Title 36, Section 327.2 (a) for vehicle definition) off authorized roadways is prohibited. Exception: ATV permits are available at Wright Patman Lake.

Vehicles must be parked on Corps designated areas or along roadsides on Corps property without blocking the passage of other vehicles or gate openings. Parking on other public roadways is at your own risk and contacting local law enforcement is recommended. Access to the interior of designated hunting areas is authorized by foot or boat only.

13. Are there any special allowances for individuals with disabilities?

Persons with permanent walking disabilities (a disability that permanently prevents walking) may apply for permission to enter a hunting area by means other than foot. The applicant must present a physician's certification of that condition to qualify for vehicle use inside a hunting area. Site managers have the discretion to approve or deny any application based on natural resource protection, safety or other concerns. If approved, a special event permit specifying time and duration of hunting availability may be issued to the disabled person. Additionally, site managers have the option to allow the use of crossbows for persons with an upper limb disability to hunt deer and turkey only during the "Archery Only" Season as defined by TPWD and any lake specific seasons. An upper limb disability is defined, as a permanent loss of the use of fingers, hand, or arm in a manner that renders a person incapable of using a bow and documentation, as described above, is required.

14. What authorized (legal) game may be hunted on Corps of Engineers lands?

The only authorized game allowed to be taken is those game species listed in the "Legal Game" section for each lake. Hunting game species not listed in the information guide is prohibited, including species such as rattlesnakes, skunks, crows, English sparrows, grackles, coyotes, javelina, etc. Note: Possession of manual or electronic varmint calling devices, baits or lures is prohibited while hunting.

Sport chasing is allowed for raccoons, foxes and coyotes only, except where prohibited under the Lake Information section of this guide (Aquilla & Waco Lakes). Possession of a firearm, archery equipment, or any other weapon while sport chasing these animals is prohibited. Possession of calling devices, baits or lures is prohibited while sport chasing the animals.

Dogs may be used to hunt rabbit, squirrels, game birds, and migratory game birds in compliance with TPWD regulations. The use of dogs to hunt deer is prohibited.

15. May I target shoot on Corps of Engineers lands?

Shooting for practice or at targets is prohibited. Discharging any weapon (including archery equipment) is allowed only during authorized hunting activities and only during the attempt to take game.

16. May I trap animals on Corps of Engineers lands?

Trapping is prohibited. The possession of traps, snares, baits, tranquilizers or scent lures are prohibited for use on Corps lakes.

17. Who enforces the hunting laws and regulations on Corps of Engineers lands?

State and Federal Game Wardens, as well as local law enforcement personnel, enforce the state and federal hunting laws respectively. The U.S. Army Corps of Engineers Park Rangers implement the regulations and safety requirements of the Corps of Engineers hunting program at each lake.

18. Is baiting allowed on Corps of Engineers hunting lands?

A hunter may **not** hunt migratory birds with the aid of bait or on or over any baited area. Contact the site manager of a specific lake for information on using corn to bait deer or other game animals. Note: Hunters are responsible for knowing whether an area is baited or not.

LAKE INFORMATION

Aquilla Lake

285 CR 3602	County:	Hill
Clifton, TX 76634-3396	Acreage:	4,000 acres
(254) 694-3189	Corps Permit:	Required
www.CorpsLakes.us/Aquilla		
http://whitneylakehunting.tamu.edu/		

Administration: U.S. Army Corps of Engineers

Legal Game: Dove, squirrel, rabbit, waterfowl, turkey, feral hog, and deer.

Season: As published in the Texas Outdoor Annual for these counties.

Muzzleloaders and Crossbows: No

Special Restrictions: Deer hunting is by archery only. Other game may be hunted with a shotgun, but no shot larger than #2 may be used or carried. Sport chasing is prohibited. Tree stands are restricted to portable non-bark penetrating stands only and must be removed after each day's hunt.

Bardwell Lake

4000 Observation Drive	County:	Ellis
Ennis, Texas 75119-1339	Acreage:	2,528 acres
(972) 875-5711	Corps Permit:	Not Required
(972) 875-9711 (fax)		
www.CorpsLakes.us/Bardwell		
www.swf-wc.usace.army.mil/bardwell/		

Administration: U.S. Army Corps of Engineers

Legal Game: Dove, squirrel, rabbits, waterfowl and feral hogs.

Season: From September 1 through March 31 as published in the Texas Outdoor Annual for this county.

Muzzleloaders and Crossbows: No

Special Restrictions: Hunting of feral hogs permitted only north of State Highway 34 by use of archery or by shotguns with slugs. Dogs will not be used for hunting of feral hogs.

Belton Lake

3740 FM 1670	Counties:	Bell/Coryell
Belton, Texas 76513-7783	Acreage:	3,900 acres
(254) 939-2461	Corps Permit:	Not Required
(254) 939-8150 (fax)		
www.CorpsLakes.us/Belton		
www.swf-wc.usace.army.mil/belton/		

Administration: U.S. Army Corps of Engineers

Legal Game: Dove, quail, squirrel, rabbits, and waterfowl.

Season: From September 1 through 30 March as published in the Texas Outdoor Annual for these counties.

Muzzleloaders and Crossbows: No

Benbrook Lake

P.O. Box 26619 (mailing address) County: Tarrant
Fort Worth, Texas 76126 Acreage: 1,400 acres
Corps Permit: Required

7001 Lakeside Drive (physical address)

Fort Worth, Texas 76132

(817) 292-2400

(817) 346-0021 (fax)

www.CorpsLakes.us/Benbrook

www.swf-wc.usace.army.mil/benbrook/

Administration: U.S. Army Corps of Engineers

Legal Game: Dove, quail, turkey, squirrel, rabbits, waterfowl, and deer.

Season: From September 1 through January 25 as published in the Texas Outdoor Annual and Texas Waterfowl Digest for Tarrant county. No spring season for turkey hunting.

Muzzleloaders and Crossbows: No muzzleloaders. Crossbows are only allowed following TPWD hunting regulations.

Special Restrictions: The number of applicants is limited and hunters are encouraged to call the lake office for details. Deer and turkey hunting is by archery only. A computer drawing is held to determine the hunters for each season. Other game may be hunted with a shotgun, but no shot larger than #2 may be used or carried. Sport chasing is prohibited. Tree stands are restricted to portable non-bark penetrating stands only and must be removed after each hunting permit period. All persons seeking a permit should contact the Benbrook Lake office for permit instructions. Hunting permit information for Benbrook Lake is located at the above website.

Canyon Lake

Grapevine Lake

110 Fairway Dr.
Grapevine, Texas 76051-2028
(817) 865-2600
(817) 865-2601 (fax)

County: Denton
Acreage: 2,300 acres
Corps Permit: *Required

www.CorpsLakes.us/Grapevine

www.swf-wc.usace.army.mil/grapevine/

Administration: U.S. Army Corps of Engineers

Legal Game: Dove, quail, squirrel, rabbits, waterfowl, feral hogs, and deer.

Season: Hunting is allowed between the opening day of dove season and the last day of August the following year. Specific hunting seasons are published by Texas Parks and Wildlife and the US Fish and Wildlife Service.

Deer Hunting permits will be issued in a lottery system. Quota permits for deer will be issued based on current best management practices for White Tailed Deer populations, and harvest guidelines. The application must be submitted in person to 110 Fairway Drive, Grapevine, TX 76051, June 1st – July 30th, 2010, 8:00 am – 4:30 pm, Monday to Friday excluding federal holidays. Successful applicants will be notified by September 17th. Applications can be obtained at the Grapevine Lake Office or on the web beginning May 26, 2010.

Special Youth Only Deer Hunting. Youth season permits will be issued to licensed hunters 16 years of age or younger. A Texas Parks and Wildlife Special Hunting License may be required to hunt. Applicants that are 16 years old must show proof of hunter education or be accompanied, 15 years and younger must be accompanied. Accompanied means by a person who is at least 17, who is licensed to hunt in Texas, who has passed hunter education or is exempt (born before Sept. 2, 1971), and you must be within normal voice control while hunting. The hunting period will be from October 2nd, 2010 to October 10th, 2010. 150 permits will be issued to first come first serve applicants with a properly filled out Grapevine Lake Youth Deer Hunting Application. The application can be submitted in person to 110 Fairway Drive, Grapevine, TX 76051, June 1st – July 30th, 2010, 8:00 am – 4:30 pm, Monday to Friday excluding federal holidays. Applications can be obtained at the Grapevine Lake Office or on the web beginning May 26, 2010.

500 Migratory Bird Hunting First come -first serve permits will be issued to applicants with a properly filled out Grapevine Migratory Bird Hunting Application.. The amount of permits will be based on the hunting areas capacity for a safe, enjoyable, quality and most of all sustainable hunting experience for the public. PERMITS WILL BE LIMITED. Applications will be accepted and permits will be issued from June 1st 2010 until the last of the 500 permits is issued. All applications can be submitted in person to 110 Fairway Drive, Grapevine, TX 76051, 8:00 am – 4:30 pm, Monday - Friday excluding federal holidays. Applications can be obtained at the Grapevine Lake Office or on the web beginning May 26, 2010.

800 General Hunting permits will be issued for Hogs, Squirrel, Rabbits, Dove and Turkey. First come -first serve permits will be issued to applicants with a properly filled out Grapevine General Hunting Application. Applications will be accepted and permits will be issued from June 1st 2010 until the last permit out of the 800 is issued. All applications can be submitted in person to 110 Fairway Drive, Grapevine, TX 76051, 8:00 am – 4:30 pm, Monday - Friday excluding federal holidays. Applications can be obtained at the Grapevine Lake Office or on the web beginning May 26, 2010.

Selection process:

Muzzleloaders: No

Crossbows: per TPWD guidelines and restrictions.

Special Restrictions:

1. Deer and feral hog hunting are by archery only.
2. Shotguns using #3 or smaller shot may be used during appropriate turkey seasons.
3. All waterfowl hunters are required to be in or on the water while hunting waterfowl. “In or on the water” is defined as being at least six (6) feet into the water from the shoreline, either wading, in a floating blind, or in a boat. Shore-based blinds are not permitted.

Hords Creek Lake

230 Friendship Park Road
Coleman, Texas 76834-8741

County:
Acreage:

Coleman

Administration: U.S. Army Corps of Engineers

Legal Game: None

Season: **CLOSED TO PUBLIC HUNTING.** Hunting is restricted to organized events for disadvantaged youth.

Joe Pool Lake

P.O. Box 872 Cedar Hill, Texas 75106-0872 (972) 299-2227 (972) 299-2228 (fax) www.CorpsLakes.us/JoePool	Counties: Acreage	Dallas/Ellis/Tarrant 4,000 acres
--	----------------------	-------------------------------------

Administration: U.S. Army Corps of Engineers

Legal Game: None.

Season: **CLOSED TO HUNTING**

Special Restrictions: Field trials with dogs may be authorized by special event permit. Contact the lake office for further information and permit conditions.

Lake O' the Pines

2669 FM 726 Jefferson, Texas 75657-4635 (903) 665-2336 (903) 665-8441 (fax) www.CorpsLakes.us/LakeOPines www.swf-wc.usace.army.mil/lakeopines/	Counties: Acreage: Corps Permit:	Camp/Harrison/ Marion/Morris/Upshur 4,500 acres Not Required
--	--	---

Administration: U.S. Army Corps of Engineers

Legal Game: Mourning dove, bobwhite quail, squirrel, rabbit, waterfowl, feral hogs, white-tailed deer, and eastern wild turkey.

Season: As published in the Texas Outdoor Annual for these counties.

Muzzleloaders and Crossbows: Yes

Special Restrictions: Rifle hunting for deer or feral hogs is only authorized for hunting areas south of the dam and west of Cypress Creek and for hunting areas north of Highway 155. For all other areas, hunting for deer or feral hogs is restricted to shotguns with slugs, muzzle loading rifles, and legal archery equipment. Hunters (and anyone accompanying the hunter) must wear at least 400 square inches of hunter orange material (144 square inches on both chest and back) when hunting and are also required to wear some type of orange head wear. Hunters exempt from this requirement are: Persons hunting deer/turkey/feral hogs during the archery only season, persons hunting squirrels outside of the deer firearms season, and

persons hunting turkey, waterfowl, or migratory birds (except dove hunters during concurrent hunts for quail.) Subject to certain restrictions, permits to use all terrain vehicles (ATVs) at the hunting area south of the dam and west of Cypress Creek will be available for persons with a “permanent, ambulatory disability” and permits will be available beginning 8 September 2008. ATV rider certification (available at ATV dealers) is also required to qualify for an ATV permit. Antlerless deer may be harvested only during archery season. Tree stands are restricted to portable non-bark penetrating stands only. They are only to be left for periods of 72 consecutive hours or less and must be clearly marked with the owner’s name, address, telephone number, and date of placement. All hunting is prohibited from 1 June through 31 August. Due to a special white-tailed deer hunting event held for physically challenged hunters, the hunting area south of the dam and west of Cypress Creek will be closed to all other users from 15 December 2010 through 21 December 2010. Please call or write the lake office for additional information.

Lavon Lake

3375 Skyview Drive
 Wylie, Texas 75098-5798
 (972) 442-3141
 (972) 442-1109 (fax)

County: Collin
 Acreage: 6,500 acres
 Corps Permit: Required

www.CorpsLakes.us/Lavon
www.swf-wc.usace.army.mil/lavon/

Administration: U.S. Army Corps of Engineers
Legal Game: Dove, squirrel, rabbits, waterfowl, and feral hog.
Muzzleloaders: No
Feral Hogs: Bow and crossbow only.
Season: As published in the Texas Outdoor Annual for this county.
Special Restrictions: Permit required for all species. Archery only for feral hogs. **A hunter survey must be returned to the Lavon Lake office to obtain a permit for the following year. A limited number of Special Methods Hog Hunting Permits will be issued by drawing in January 2010. Special Methods permits will be valid from February 1, 2011 through April 30, 2011. See the Lavon Lake website for details, maps, and hunting regulations.*

Lewisville Lake

1801 N. Mill St.
 Lewisville, Texas 75057-2311
 (469) 645-9100
 (469) 645-9101 (fax)

County: Denton
 Acreage: 8,000 acres
 Corps Permit: *Required

www.CorpsLakes.us/Lewisville
www.swf-wc.usace.army.mil/lewisville/

Administration: U.S. Army Corps of Engineers
Legal Game: Dove, quail, squirrel, rabbits, snipe, rails, feral hogs, waterfowl and turkey.

Season: Hunting for legal game (listed above) allowed as published in the Texas Outdoor Annual for Denton County. The hunting area will open September 1, 2010 and close August 31, 2011.

Means and Methods Restrictions: Muzzleloaders, Crossbows, Rifles and Pistols will NOT be allowed.

Special Restrictions: Archery only for feral hogs, all other legal game may be taken with a shotgun using shot size not larger than #2. To obtain a hunting permit for Lake Lewisville a valid hunter education certificate is required regardless of age. You may get a one time waiver, which may be obtained through Texas Parks and Wildlife. Requests for hunting information should be directed to the Lewisville Lake Office at 469-645-9100. The area north of Highway 380 has been leased to the City of Denton and any hunting in that area will be administered by that city. Hunting information for that area can be obtained by calling (940) 349-8230.

Corps Permit:	Not Required
Admin. Fee:	Yes - for permanent blinds

www.CorpsLakes.us/Somerville

<http://www.swf-wc.usace.army.mil/somerville/Recreation/Somerville%20Lake.pdf>

Administration: U.S. Army Corps of Engineers

Legal Game: Waterfowl, feral hog

Season: Waterfowl and feral hog hunting as published in the Texas Outdoor Annual for these counties. Guidelines for both the waterfowl blind selection and feral hog compartment selection can be found below. The Challenged Hunter Program will hold its annual deer hunt on Friday and Saturday, December 3rd and December 4th. Hunter applications and information may be obtained by calling the Hunt Coordinator. All applications for the 2010 hunt must be returned by November 1, 2010 to be included in the drawing. For more information contact Park Ranger Russell Meier.

Duck Blind Permits:

Seasonal waterfowl blind drawing applications will be accepted between May 1 and August 31 of each year. Waterfowl blind applications must be sent to the following address to be placed in the random drawing. **Only one (1) card is allowed per applicant.**

**Somerville Lake Office
1560 Thornberry Dr.
Somerville, TX 77879-6347**

Individuals must be eighteen years old or older to apply. The duck blind application shall be a white 3" X 5" note or index card with the following information on it.

- Name as it appears on Driver's License or State ID Card
- Address as it appears on Driver's License or State ID Card, with city and zip code
- Both daytime and evening telephone numbers

A random drawing will be conducted for waterfowl blinds at the Somerville Lake Office on September 1. Individuals on randomly drawn cards will be notified by mail or phone and **MUST** meet at the Somerville Lake Office on September 10, 2010 at 7:00p.m. to select waterfowl blind location and complete required forms. Individuals failing to attend the meeting forfeit the opportunity to select a waterfowl blind location. Blind selection will be conducted in the order in which the cards were randomly drawn. Two individuals will be

allowed to attend the selection meeting. The first individual is the individual on the randomly drawn card, this individual **MUST** show a valid Driver's License or State ID prior to selecting the waterfowl blind location and will select the blind location. The second individual is allowed to attend only as the alternate and will sign as the alternate on the permit. Individuals selected for a blind will be charged a **\$50.00 non-refundable fee**. This fee **MUST** be in the form of a personal check or cashier's check. After waterfowl blind locations are selected, construction of blinds can begin at anytime. All waterfowl blinds **MUST** be removed within 30 days after the season ends. For questions or comments contact Ranger Russell Meier (Hunt Coordinator) at 979-596-1622.

Feral Hog Compartment Selection Procedures

Feral Hog compartment drawing applications will be accepted between February 1 and May 31 of each year. Feral Hog compartment applications must be sent to the following address to be placed in the random drawing. **Only one (1) card is allowed per applicant.**

**Somerville Lake Office
1560 Thornberry Dr.
Somerville, TX 77879-6347**

Individuals must be eighteen years old or older to apply. The Feral Hog compartment application shall be a white 3" X 5" note or index card with the following information on it.

- Name as it appears on Driver's License or State ID Card
- Address as it appears on Driver's License or State ID Card, with city and zip code
- Both daytime and evening telephone numbers

A random drawing will be conducted for feral hog compartments at the Somerville Lake Office on June 9, 2010. Individuals on randomly drawn cards will be notified via mail or phone and **MUST** meet at the Somerville Lake Office on June 16, 2010 at 7:00p.m. to select feral hog compartments and complete required forms. Individuals failing to attend the meeting forfeit the opportunity to select a feral hog compartment. Compartment selection will be conducted in the order in which the cards were randomly drawn. Two individuals will be allowed to attend the selection meeting. The first individual is the individual on the randomly drawn card, this individual **MUST** show a valid Driver's License or State ID prior to selecting the feral hog compartment and will select the compartment location. The second individual is allowed to attend only as the alternate and will sign as the alternate on the permit. After feral hog compartments are selected, hunting can begin at anytime. Permits will begin on July 1, 2010 and end June 30, 2011. All hog blinds, feeders, and traps **MUST** be removed by the end of the permitted period of time. Stipulations for fulfilling the permit will be addressed at the selection meeting. For questions or comments contact Ranger Russell Meier (Hunt Coordinator) at 979-596-1622.

A feral hog compartment map can be found by going to the following link **www.swf-wc.usace.army.mil/somerville/Recreation/Feral%20Hogs/FeralHogHunting.asp** and clicking on the Feral Hog Hunting Compartment Map.

Counties:

Bowie/Cass

Acreage:

54,358 acres

(903) 838-8781

Corps Permit:

Yes, ATV permit

(903) 832-6396 (fax)

www.CorpsLakes.us/WrightPatman

www.swf-wc.usace.army.mil/wrightpatman/

Administration: U.S. Army Corps of Engineers

Legal Game: Mourning dove, bobwhite quail, squirrel, rabbits, waterfowl, feral hog, white-tailed deer, and eastern wild turkey.

Season: As published in the Texas Outdoor Annual for these counties.

Muzzleloaders and Crossbows: Yes, for white-tailed deer and feral hogs only.

Special Restrictions:

- Rifles are authorized for hunting in most areas.
- For all areas due east of the dam and north of the Sulphur River, including the area east of US Highway 59, hunting for deer or feral hogs is restricted to shotguns with slugs, muzzle leading rifles, and legal archery equipment.
- Antlerless deer may be harvested during the archery only and muzzleloader only seasons. During the October and January Youth-Only Seasons, antlerless deer may be harvested by youth in accordance with TPWD restrictions.
- Tree stands are restricted to portable non-bark penetrating stands only; they are only to be left for periods of 72 consecutive hours or less and must be clearly marked with the owner's name, address, telephone number, and date of placement.
- Permits to use all terrain vehicles (ATVs) at Clear Springs and Big Creek Wildlife Management Areas (encompassing 3,700 acres) will be distributed at the Clear Springs Park gate house on 18 September 2010, utilizing a local drawing if needed. Permits will cost \$25 per permit, for each of the available seasons. Please call or write the Lake Office for additional information. ATV rider certification (available at ATV dealers) is required to qualify for an ATV permit. Due to a special white-tailed deer hunting event that will be held for physically challenged hunters, Clear Springs ATV area will be closed from 29 November 2010 through 5 December 2010 to all other use. In addition, a two day youth deer hunting event will be held during the youth season in January, also at the Clear Springs ATV area, the specific date to be set by the Texas Parks and Wildlife Department, and the Clear Springs ATV area will be closed to all other use at that time.
- Hunting or shooting within 600 feet of homes, developed parks, roads, fishing piers or platforms, concentrated livestock areas with holding pens, the outlet structure, the emergency spillway, or other lands and water areas posted by the Corps of Engineers is prohibited.

Special Restrictions for Bow Fishing: Bow fishing will not be allowed within 600 feet of a developed park, roadway, fishing pier, fishing platform or at any other areas posted at the project. Bow fishing is prohibited within the outlet structure and emergency spillway areas with no exceptions. Bow fishing will be allowed in those areas east of US Highway 59 below the spillway on the Sulphur River and in remote locations on Wright Patman Lake.

Disclaimer and Waiver of Liability

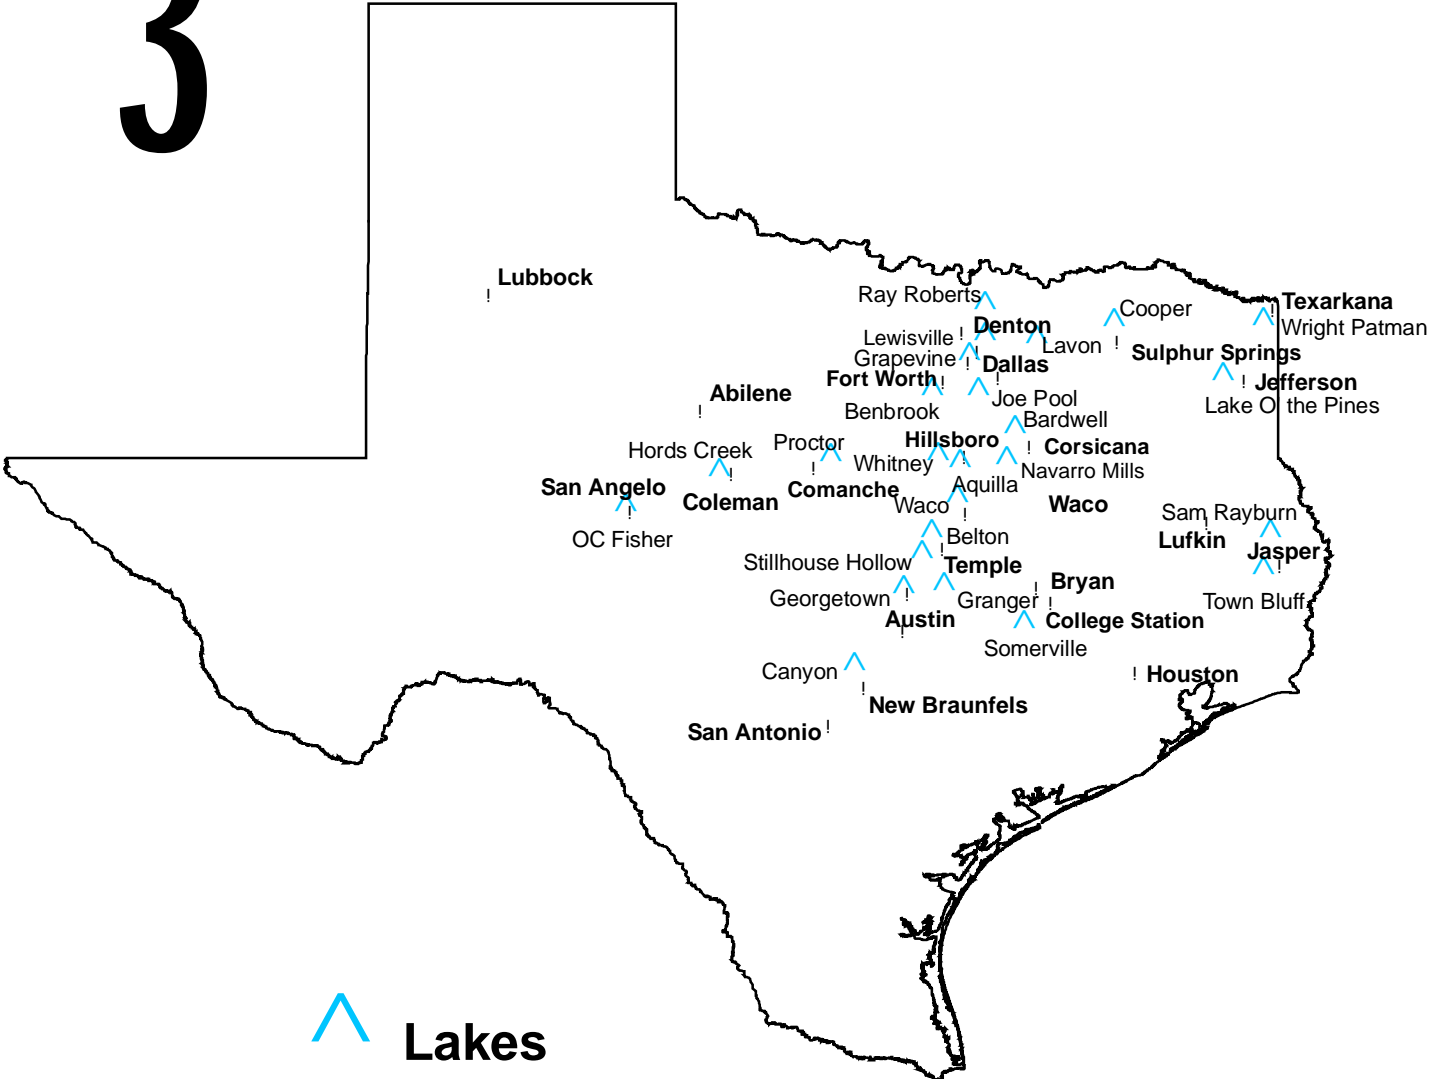

This liability statement allows entry upon lands owned by the U.S. Corps of Engineers for hunting. Permittee is not allowed to hunt until this statement is signed. The Corps of Engineers does not know the proficiency of the other participating hunters, and the Corps specifically does not make any warranty or representation of any type, kind or character, whatsoever, as to existing conditions upon said lands for hunting purposes. Any person entering upon such lands enters at his or her own risk, impliedly accepts such lands in the existing conditions, and recognizes that all hunting is potentially dangerous because of the use of firearms/bows by hunters of varying degrees of proficiency, and in consideration of being permitted to participate in this public hunting program, I as parent or guardian of any accompanying minor, unconditionally release and hold harmless the Corps of Engineers against and for all liability, cost, expenses, claims and damages for which the Corps might otherwise become liable by reason of any accidents, or injuries to or death of any persons, or damage to property or both, in any manner arising or resulting from, caused by, connected with or related to the presence of any such person upon such lands and premises, regardless of how, where, or when such injury, death or damage occurs even if caused by the negligence of the Corps of Engineers, its agents, servants, or employees, or due to conditions or operation on or defects in the premises. I, the Permittee, have read this release and understand all its terms. I execute it voluntarily with full knowledge of its significance.
