Corps announces dam maintenance closures at Waco Lake

FORT WORTH, Texas – Due to general maintenance, The U.S. Army Corps of Engineers have announced complete closures at Waco Lake Dam Hike and Bike Trails to begin December 1 and remained closed until project conclusion. This complete closure to public access could be extensive.

Completely closed areas are all three hike and bike access points as well as the Bosque Park access point to the Waco Lake Dam.

Please check our website at <http://www.swf-wc.usace.army.mil/waco> prior to recreating on Waco Lake, to check most recent facility closures.

Please be attentive to all shoreline areas that may have sharp debris, submerged trees or shrubs, and watch for animals forced to higher ground. Lake users are encouraged to always wear life jackets.
