

Whitney Lake volunteer Rick Melton, a recipient of the Whitney Lake 1,000 hours plus volunteer award, prepares to paint a PFD loaner board at McCown Valley Park. This is the second of three planned PFD loaner boards Mr. Melton has fabricated, painted, and installed in day use areas around the Whitney Lake.

Whitney Lake held an awards presentation on April 14, 2011 to publically recognize the agencies that were an integral part in the filming of "Cassidy's 21st Birthday" hazards of cliff jumping YouTube video.

Representatives from the Bosque County Sheriff's Office, West Shore VFD, and North Bosque EMS were presented with individual August 2010 Team of the Month awards and each agency received a plaque to display in their office. At the awards presentation Lake Manager Abraham Phillips and Ranger Tennille Hammonds discussed the new

Whitney/Aquilla Lakes "Wear It For Life" water safety initiative with the agencies. The message was well received and agency representatives have, along with Whitney Corps employees, committed to increasing water safety awareness.

Acting Deputy Operations Project Manager Brady Dempsey, recently received antlers from Game Warden Mark Hammonds at the Whitney Project Office. The antlers are from a deer which was illegally taken on Corps land during a hunt in November 2010 at Whitney Lake. Considered a trophy buck by most, these antlers will likely hang in the Whitney Project Office as a reminder to all hunters to follow all laws and regulations, state and federal.
