LAVON LAKE HUNTING POLICY

AREAS. Approximately 6,500 acres in Collin County are available for public hunting. Hunting is not the exclusive use of these areas. Some areas may be used by hikers, equestrian riders, bird watchers, etc, so please exercise caution. While much of the boundary is fenced and marked, some areas are not. It is the hunter's responsibility to become familiar with the area and the limits of public lands. Hunting on public land does not give any person the right to cross or enter private property and you could be charged with trespassing.

PERMITS. All hunters 17 years of age and older must obtain a permit. Hunters 16 and under are not required to obtain a permit, but must be with a permitted adult. All hunters hunting independently must have a permit, as well as hunter's education. A single permit is good for all hunting areas and all legal game during the permit period. Permit periods will be concurrent with the Texas Parks and Wildlife (TPWD) hunting license renewal dates. The permit requires a valid State of Texas hunting license, a hunter safety card or proof of exemption (photo ID for age exemption), a signed liability waiver, and valid photo identification. **Failure to provide any of the above items will result in the application being denied.** Hunters must complete a hunter activity survey on-line in order to renew permit; survey will automatically be prompted during renewal of hunting permit. Returning hunters with the previous year's Lavon Lake Hunting Permit **MUST** go on-line at https://lavonlakehunting.tamu.edu/permit/returning to renew their permit. If new, a minor or you did not receive the previous year's permit you may mail the hunting permit application waiver form, and Hunter's Education certification to: **Lavon Lake, USACE Attn: Hunting Coordinator 3375 Skyview Drive Wylie, TX 75098.** You may also email the hunting permit application waiver form, and Hunter's Education certification to: Email address: **jonathan.e.boyce@usace.army.mil** with the subject line: Lavon Lake Hunting Application 2021-2022. All permitted hunters will receive a permit card and vehicle tag. All hunters must have this card on their person and the vehicle tag displayed when hunting at Lavon Lake. By accepting this hunting permit, hunters acknowledge receipt and understanding of hunting regulations and applicable state laws. **Hunting without a valid hunting permit will constitute the issuance of citation.** These requirements apply to all hunters regardless of season or game hunted.

HUNTER SAFETY COURSE. All persons hunting on Corps managed land must follow the TPWD guidelines for Hunter Safety Course requirements. For Hunters Safety Course proof of exemption, certifications from other states or the U.S. military will be accepted. TPWD Type 135 Deferrals will not be accepted in lieu of a completed and valid hunter's education course. Concealed handgun permits do not satisfy this requirement. *See Age Requirements*

AGE REQUIREMENTS. Persons younger than 17 years of age **must be accompanied** (within normal voice control) by a Lavon Permitted adult with a hunter's safety certification and valid Texas hunting license.

All hunters are required to wear a minimum of 400 square inches of daylight fluorescent orange above the waist (at least 144 square inches must be visible on both the chest and back) and some type of orange head wear when in designated hunting areas EXCEPTION: Waterfowl and migratory bird hunters do not have to wear the Hunter's Safety Orange once they are in an established location. All dogs in the hunting area must wear a blaze orange safety vest.

Vehicles should not be parked blocking gates. All vehicles must visibly display the vehicle hunting tag. There are no designated parking areas for Hunting Areas, State and Local Laws apply.

REPORTING. Each permitted hunter must complete a hunter activity survey before the issue of next year's permit. This survey will be used to compile information about hunting activity and harvest data at Lavon Lake. *Failure to complete a hunter activity survey will be grounds for denial of future permits.*

VIOLATIONS. Violators of any of these provisions are subject to a fine and/or loss of hunting privileges. By accepting a Lavon Lake hunting permit, hunters agree that they have been furnished a copy of and understand this policy and agree to comply with it and all applicable state hunting laws.
