Disclaimer and Waiver of Liability

This liability statement allows entry upon lands owned by the U.S. Corps of Engineers for hunting. Permittee is not allowed to hunt until this statement is signed. The Corps of Engineers does not know the proficiency of the other participating hunters, and the Corps specifically does not make any warranty or representation of any type, kind or character, whatsoever, as to existing conditions upon said lands for hunting purposes. Any person entering upon such lands enters at his or her own risk, impliedly accepts such lands in the existing conditions, and recognizes that all hunting is potentially dangerous because of the use of firearms/bows by hunters of varying degrees of proficiency, and in consideration of being permitted to participate in this public hunting program, I as parent or guardian of any accompanying minor, unconditionally release and hold harmless the Corps of Engineers against and for all liability, cost, expenses, claims and damages for which the Corps might otherwise become liable by reason of any accidents, or injuries to or death of any persons, or damage to property or both, in any manner arising or resulting from, caused by, connected with or related to the presence of any such person upon such lands and premises, regardless of how, where, or when such injury, death or damage occurs even if caused by the negligence of the Corps of Engineers, its agents, servants, or employees, or due to conditions or operation on or defects in the premises.

This information is being collected pursuant to the authority of 16 U.S.C. § 460d; 31 U.S.C. § 483a; 42 U.S.C. §§ 4321, 4331-4335, 4341-4347; 33 U.S.C. § 1251 et seq.; and E.O. 11752. Personal information is being collected to allow for the tracking of public activities on U.S. Army Corp of Engineer-owned land and to assist in the management of Navarro Mills Lake. We may share this information with Federal, state, or local law enforcement agencies. Providing the information is voluntary; failure to provide this information, however, will result in a permit denial.
